# City of Cornelia Budget for 2020

Adopted November 5, 2019

November 5, 2019

Honorable Mayor and Commissioners

Re: Budget for 2020

I am happy to be able to present to you this proposed budget and program of services that will be provided to the citizens of Cornelia in 2020. As always we have strived to keep the cost of providing city services as low as possible despite rising costs. This proposed Budget allows us to continue to provide our citizens with a high level of services while staying within our means.

The 2020 General Fund Budget is larger than the 2019 General Fund Budget by \$904,995. Some of the increase is due to the Level Grove Sidewalk Project, \$500,000. We are also adding 2 fulltime Firefighter positions which will allow us to have 2 Firefighters at both of our Fire Stations 24 hours per day. The remainder of the increase is due to increased costs to provide services to our citizens.

The Water and Sewer budget is significantly smaller than the 2019 budget by \$14,477,567. This is due to the completion of the new water plant and reservoir project. Capital projects in the Water & Sewer Budget include: the 2018 CDBG Sewer Project, \$1,478,000, Waste Water Plant Sand Filter Replacement, \$800,000, Chenocetah Water Line Project, \$923,000, and the Hoyt Street Sewer Project, \$518,950. These projects will be funded through our CDBG Grant, \$750,000 as well as \$200,000 of loan funds not utilized for the Water Meter Replacement Project. The remaining funds will come from Water & Sewer revenue.

SPLOST projects planned in 2020 include re-surfacing Grier Street, Skyland Drive between Dolson Street and Highland Avenue, Yonah Street between South Main Street and Highland Avenue, Circle Drive, Slayton Street, and Alston Ridge Subdivision. Also included in the SPLOST Budget is the replacement of the Hampton Inn Sewer lift station. The only other SPLOST expenditures planned in 2020 will be to pay the loan for the Police Vehicles.

Stormwater Utility Projects in 2020 include the Old Level Grove Road Drainage Project, the Alston Ridge Drainage Project, the Chenocetah Drive Drainage Project, the Cox Street Drainage Project, and the Hoyt Street Drainage Project. These much needed projects will be funded with our Stormwater Utility Fund. Also included in this fund a portion of the cost for 2 employees whose primary function is stormwater maintenance.

Also included in this Budget are the E911 Radio fees (\$15,400), County Animal Control fees (\$34,341), and a commitment of \$15,000 to the Habersham Partnership for Growth.

As has been the recent trend we continue to be in competition with other agencies for our employees. Now we are also competing with private industry because while the better economy is great it also brings higher paying jobs. For this reason I am requesting a 4% pay increase for all of our employees in an effort to keep them.

The General Fund will rely on a transfer from the Water-Sewer fund in the amount of \$850,000. The General Fund will be utilizing \$317,759 from prior fund balance, \$136,000 of this is GDOT LMIG Money from 2018 and 2019. The Water and Sewer Fund will use \$1,453,352 of its prior fund balance. This money is available because several capital projects that were budgeted in 2019 have been moved to the 2020 Budget.

We will use \$60,000 from our Hotel-Motel Tax Capital Improvement funds which have been accumulated in a special account for the purpose of tourism related capital projects. We will still maintain a healthy balance in this account at the end of 2020 based on current revenue projections.

Noteworthy programs and projects to improve Cornelia in 2019 include the following:

- ❖ Basketball Goal Replacement - \$15,000
- ❖ Street Resurfacing - \$400,000
- ❖ Chenocetah Water, Sewer, and Drainage Project - \$1,123,000
- ❖ Ward 4 Sewer and Drainage Project - \$1,400,000
- ❖ Hoyt Street Sewer and Drainage Project - \$608,700
- ❖ Hampton Inn Sewer Lift Station - \$459,800
- ❖ Level Grove Sidewalk Phase II - \$1,200,000
- ❖ City Park Camera Project - \$45,000

These projects and the daily services provided by the City's work force will continue to keep Cornelia a community that strives to provide its citizens with the best quality of life possible.

The Program of Services before you is within the means of the city's finances. We have remained conservative in our revenue estimates based on current economic trends and the previous year collections. This proposed budget does not rely on any increases to taxes or utility fees.

With these thoughts in mind, I present you with the 2020 Budget for the City of Cornelia.

Sincerely,

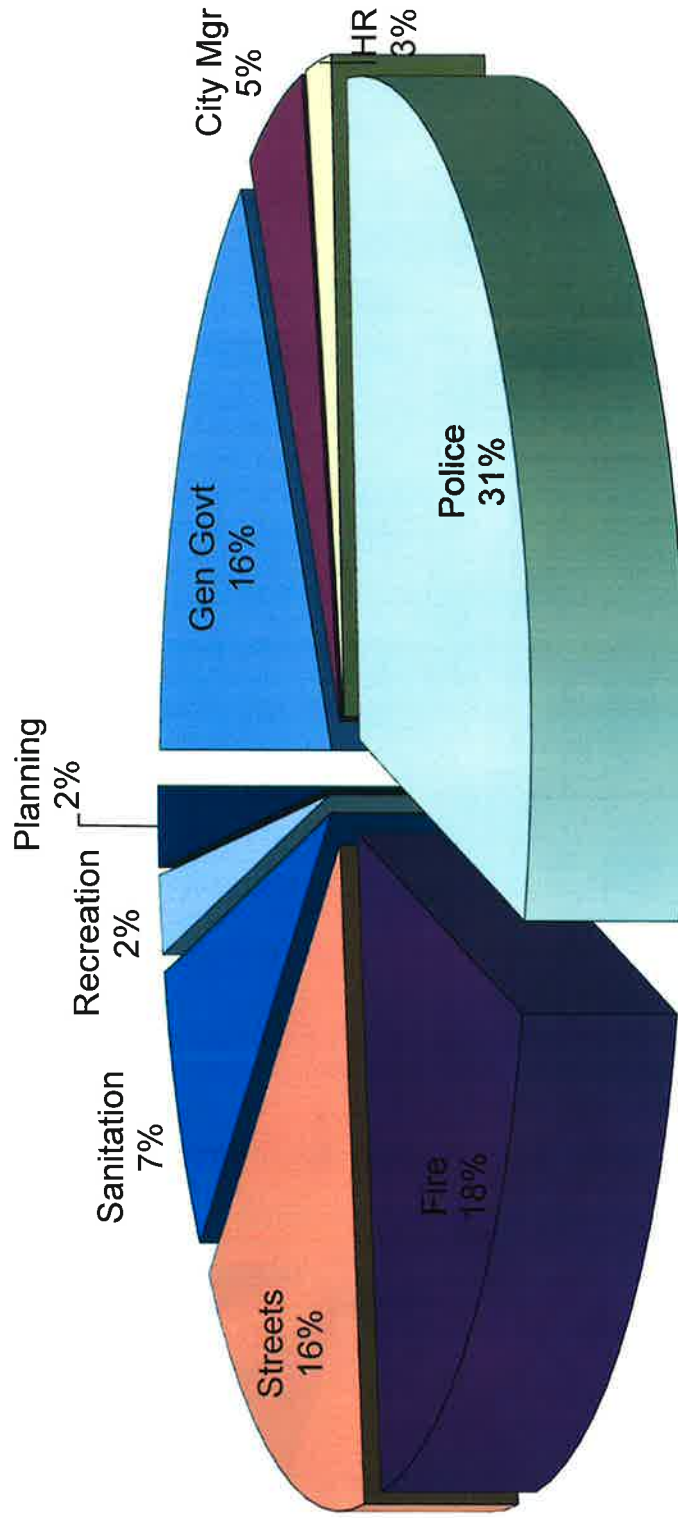

Donald Anderson  
City Manager
