

## City Manager Monthly Report for March 2022

We launched our new website on March 14<sup>th</sup>! We are still working with Diversified Technologies to work out the bugs. A component of the new site includes a City of Cornelia app that can be downloaded from the App Store. This App allows citizens to ask questions or report concerns that are emailed directly to the Department. For example, Code Enforcement concerns go directly to our Code Enforcement officer.

According to the 2020 Census we had 1,830 housing units of which 205 were vacant. Faith Bryan with the Georgia Mountains Regional Commission has discovered that we actually had 1,935 housing units as of April 2020. As a result of these findings, I have asked Faith to move forward with our challenge of the population numbers that the Census showed for Cornelia.

Garrett Paving plans to begin our 2022 Paving Project on April 11<sup>th</sup>, weather permitting. The project includes paving Berry Street, Dover Street, and Wells Street. The Wells Street portion includes milling the existing asphalt so that the clearance in the underpass will remain the same. This part of the project will require the underpass to be closed for a few days.

The demolition of the small Chenocetah Water Tank was completed on March 22<sup>nd</sup>. The project took less than 1 day to complete! The concrete pad was not demolished. We are going to use this pad to build a new pump house for the Chenocetah booster pumps.

Public Works crack sealed the streets that are going to be paved by Garrett Paving. They had to make repairs to the restrooms at Jim Smith Park do to vandalism. They have begun repairing the walking trail at City Park. The shoulders of the trail have begun washing away because of the large amounts of rain that we have received recently. This was causing the edge of the asphalt to be undermined.

The Community Development Department is working with the downtown merchants on their Catch me in Cornelia summer events. They plan to have

an event the last Thursday of each month beginning in May. The proceeds generated from the vendor fees will go towards the DDA Façade Grant program.

The Fire Department responded to 100 calls and completed 282 hours of training. Of these calls 33 were medical related, 5 public assists, 34 motor vehicle accidents, 5 fire alarms and 3 fires. The Fire Marshal completed 8 inspections, reviewed 1 set of plans, issued 2 Certificates of Occupancy, and investigated 0 fires.

The Building Official issued 12 permits, with a total project value of \$4,435,547, and collected \$9,937 in permit fees. He completed 18 plan reviews, 31 commercial inspections, and 21 residential inspections.

The Police Department conducted 238 traffic stops, responded to 49 accidents, 8 fights, 9 shoplifting calls, and 34 alarms. They responded to 983 calls. The Investigative Division opened 10 new cases, closed 8, and made 0 arrests. Code Enforcement opened 15 new cases and closed 9 cases. The Probation Division collected \$6,386 in fines. They have 95 active cases, Community Service Workers completed 20 hours at a value of \$145. We distributed 10 car seats and trained 16 caregivers.

The Wastewater Plant treated 81.5 million gallons of sewerage. The Water Plant treated 86.7 million gallons of drinking water. We recorded 6.4 inches of rain, the new reservoir level is at 27 feet and the old reservoir is 3 feet 11 inches above full pool. We repaired 5 water leaks and 7 sewer blockages.

Donald Anderson  
City Manager

**City of Cornelia**  
**Public Works**  
**Monthly Report March , 2022**

The sanitation route was completed weekly and roller carts were delivered when needed. The leaf vac finished the route and all other areas, then was cleaned and greased before storage. The grass crew has been working on maintaining the route and city properties. We have been spraying weed killer on the R.O.W. The brush pile at the recycling center was moved regularly. All city parks and downtown were checked and cleaned on a weekly basis. Work orders were completed as they came in. Trash was picked up on city streets and parks. We take turns coming in early every week to blow downtown, clean gutters, or check street lights. The chipper completed a route through the city. Street right-of-way was cut throughout the city and limbs cut back from signs where needed. We worked in the parks making repairs and doing routine maintenance. Pot holes were patched around the city as we found them. We set up and cleaned the Community House as needed. We worked around the shop organizing and cleaning. Equipment was checked and regular maintenance was done. We made repairs and did regular maintenance to city buildings as needed. Our landfill and chip/leaf piles were pushed off regularly. We fixed and replaced street signs around the city as needed. Farlinger basketball court was pressure washed to remove graffiti. Jim Smith Park restrooms were painted and repairs made after it was vandalized again. We made repairs to the Ballard Center. The brush pile was burnt. The new trash cans were placed on Level Grove Road. All the streets being paved were crack sealed. We worked in all the parks pruning bushes

and cutting trees. We started working on the walking trail fixing the shoulders.

# MONTHLY REPORT

2/24/2022 shop	cleaned out tool box & cabinets& organized drawers
2/25/2022 truck # 3	rewired lights
car # 120	replaced brakes
truck # 5	replaced tires

old car 109 service  
car # 117 service

3/24/2022 lawnmower replaced spindle bearings  
car # 116 fixed radio antenna  
truck # 6 fixed tire

3/25/2022 car # 102 service  
truck # 26 fixed tire  
FD tahoe fixed strobes  
car # 117 replaced brakes

3/28/2022 truck # 30 fixed tarp  
FD F 150 fixed fuse block wiring  
car # 106 fixed tire

3/29/2022 truck # 13 replaced bumper  
car # 102 charged a/c  
truck # 34 replaced pump coupling

3/30/2022 truck # 7 welded flipper  
truck # 27 replaced starter  
truck # 3 fixed tire

Jessie Owensby  
Community Development Department  
March 31, 2022  
Monthly Report

### **Planning & Zoning**

1. Vision Planning meeting for March with summary to the group
2. Planning Commission meeting for March
3. Helped get planning commission documents ready and published minutes from the meeting
4. Fire dept/building/ec dev monthly planning meeting
5. Spoke to potential new business re: zoning and use of building
6. Worked with Robert to create a planning and zoning notebook to have available at public meetings
7. Noticed some discrepancies with zoning map, took note of them for revision
8. Sent annexation applications for property owner under contract
9. Planning and Zoning training for Robert, myself, and Planning Commission

### **DDA & Economic Development**

1. DDA agenda, meeting, minutes published
2. Housing tax credit webinar
3. Researched Senator Ossoff's appropriations money
4. Spoke with business owner about property and business expansion
5. Spoke with potential buyer of Jerry Harkness re: downtown property
6. Spoke with housing developer re: infill development in downtown
7. Updated business email distribution list
8. Check presentations for sign and façade grant awards
9. Workforce development with the city and EDC
10. Spoke with investor about properties for redevelopment in downtown
11. Wrote and published press release re: sign and façade grant awards
12. Worked with GDOT on Project Iron Ore
13. Spoke with realtor about investment properties
14. Met with Kathy Papa re: redevelopment funds for new downtown project
15. Took pictures of property to measure for blight
16. Monthly EDC meeting
17. Sent three new DDA board members and Lindsey to DDA Basic Training
18. Sent incentives and permit applications to potential property buyer
19. Met with and toured Carl Vinson employees for summer fellowship
20. Spoke with downtown business owners re: parking
21. Sent materials to CVIOG for summer fellowship

22. Met with Trudy, MB, and SBDC re: classes to be offered in Habersham county for business owners
23. ARC funding workshop
24. Met with Charlie Fiveash re: Senator Warnock appropriation funds
25. Phone call with Laurin from GMRC re: Senator Warnock funds
26. Worked with DDA re: mural for greenspace
27. Solicited support letters for appropriations funding- received 9 of them
28. Wrote and submitted application for Senator Warnock funds
29. Spoke with Clark Stancil with CVIOG re: summer fellowship and city commission
30. Spoke with potential buyer of Habersham Hardware re: incentives
31. Investment webinar

### **Community Development & Special Projects**

1. Kiwanis every Wednesday at noon
2. Department meeting first Tuesday of month
3. Updated Kiwanis social media
4. Ribbon Cutting Chamber member
5. Meeting with Piedmont University rep
6. Meeting with Lindsey re: Young Professionals group
7. Phone call with Pamela Fountain re: vendors for LionFest
8. Monthly Chamber board meeting
9. Ribbon Cutting- Chamber- Soup Kitchen
10. Met with Haven and Jodie re: Young Professionals group
11. Researched grant for Kiwanis
12. Canceled HPC meeting
13. Met with Latin American Chamber of Commerce to discuss integrating latino business population
14. Website training
15. Worked on website updates
16. Wrote and published press release for website and app launch
17. Spoke with Joe Rothwell at GMRC about historic preservation tax credits for residential house on Elrod St.
18. SOAR meeting
19. Business After Hours at TFS
20. Dancing with the Stars for Hope kickoff meeting
21. Sent flowers and attended visitation for Nancy Barron
22. Worked with TFS administration in workforce development for Capstones
23. Chamber building and grounds committee meeting
24. Chamber Building development committee meeting
25. Worked with Jason Tanner re: wayfinding signs
26. Worked with Nicole Dover at HEMC re: food vendors for an event
27. Ordered and delivered food to Cagney Meads for her family after mother's death from the DDA
28. Reviewed and revised Chamber Young Professionals guidelines

### **Tourism and Special Events**

1. Contacted Explore Georgia for new contact to update Cornelia portion of website
2. Worked with Lindsey and Debbie to obtain alcohol permit for concert
3. Worked with Entertainment District group to work out details for Catch Me In Cornelia, Summer festivals
4. Delegated Lindsey the task of being in charge of vendors for Catch Me In Cornelia
5. Obtained logos from all the businesses involved in Entertainment District events

6. Designed poster for Summer Nights festivals and submitted to Entertainment District
7. Had Lindsey sent tourism information and brochures to Visitor's Center in Lavonia- They're out

**Lindsey:**

- Social media post
- Collected new photos for social media.
- Weekly newsletters
- Site visits
- H&T board meeting
- 2022 Event Calendars
- Meet with Young Professionals Group
- Vision meeting
- Concert food vendors
- Booked hotels for concert
- Booked generators for concert
- Updated hit list for concert
- Confirmed date for beer truck
- Alcohol License with Jessie/Debbie
- Released poster/ad for Neal McCoy
- Planning for BRAF layout/vendors
- Meeting with Cagney about Halloween party
- DDA Training in Lavonia
- Soar Luncheon at HEMC
- Ads for Facebook 2022 events
- Upgrading ads/brochures for the depot/downtown

## March 2022 Response & Training Report

### Monthly Call Response

- 100 calls responded to during March 2022.
- 313 calls responded to during 2022.
- Please see attached Fire Incident Count Report.

### Monthly training hours

- 282 training hours between all CFD Personnel.
- 891 training hours YTD.

***"Good Enough, Is Never Good."***

Assistant Fire Chief  
Shane Bentley

Sponsored the child passenger safety technician class where two of our officers attended.

# Utilities Monthly Report

 *Water Pollution Control Plant*

 *Drinking Water Treatment Plant*

 *Water/Sewer/Storm Maintenance*

# Water Pollution Control Plant

*Report for February 23 thru March 22, 2022*

## Monthly Treatment Totals

Parameter	Measurement	Units of Measure
Sewage Treated	81.5	Million Gallons
Influent BOD	43.4	Tons
Influent TSS	29.8	Tons
Solids to Landfill	522.5	Wet Tons
Dry Solids Removed	119.6	Dry Tons

## Wastewater Treatments Projects & Events

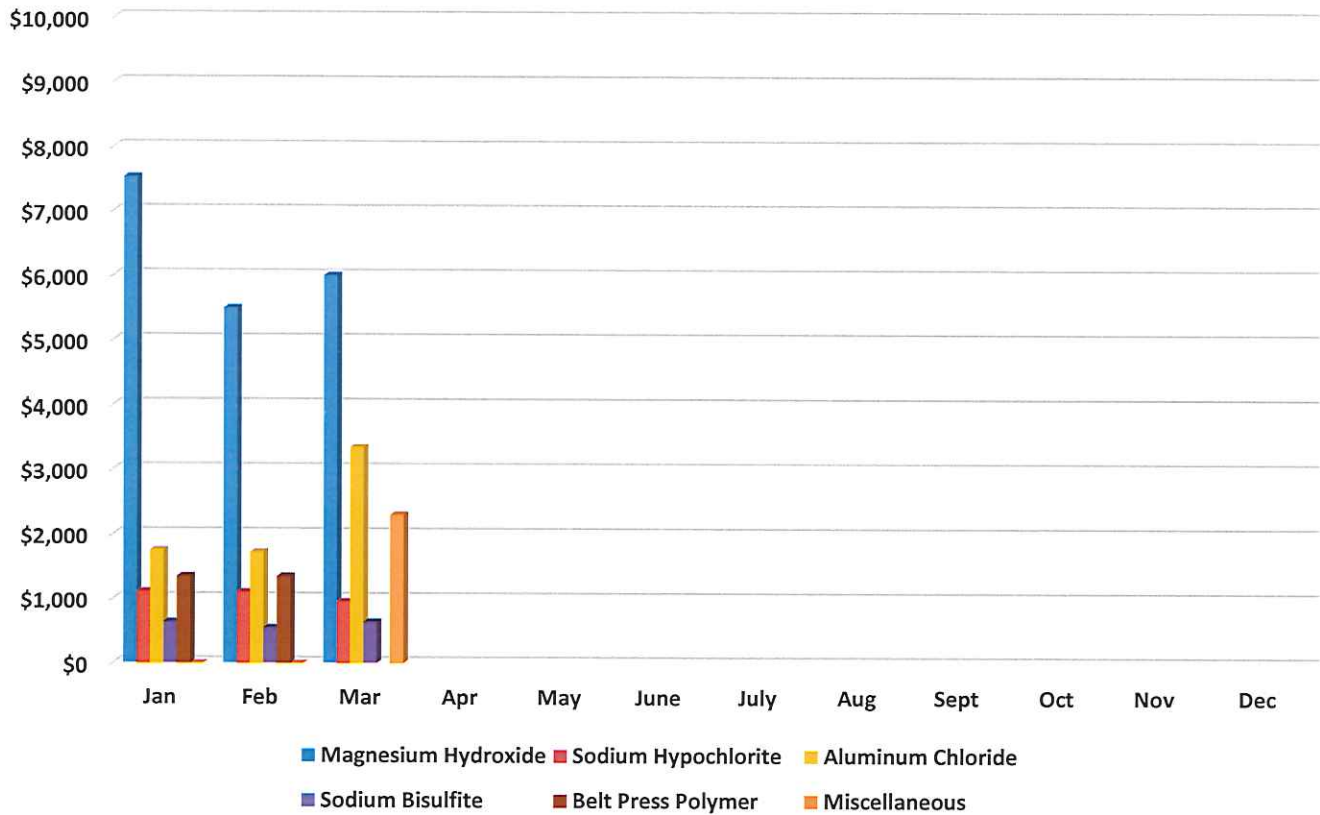

- 100% Compliance for March NPDES
- Pre-Treatment Report Due by April 31, 2022
- Toxicity Testing April 11-15, 2022
- Storm Water No Exposure Exempt due by May 31, 2022

### Funds Remaining % vs Ideal Funds Remaining % 2022

### CHEMICAL COST

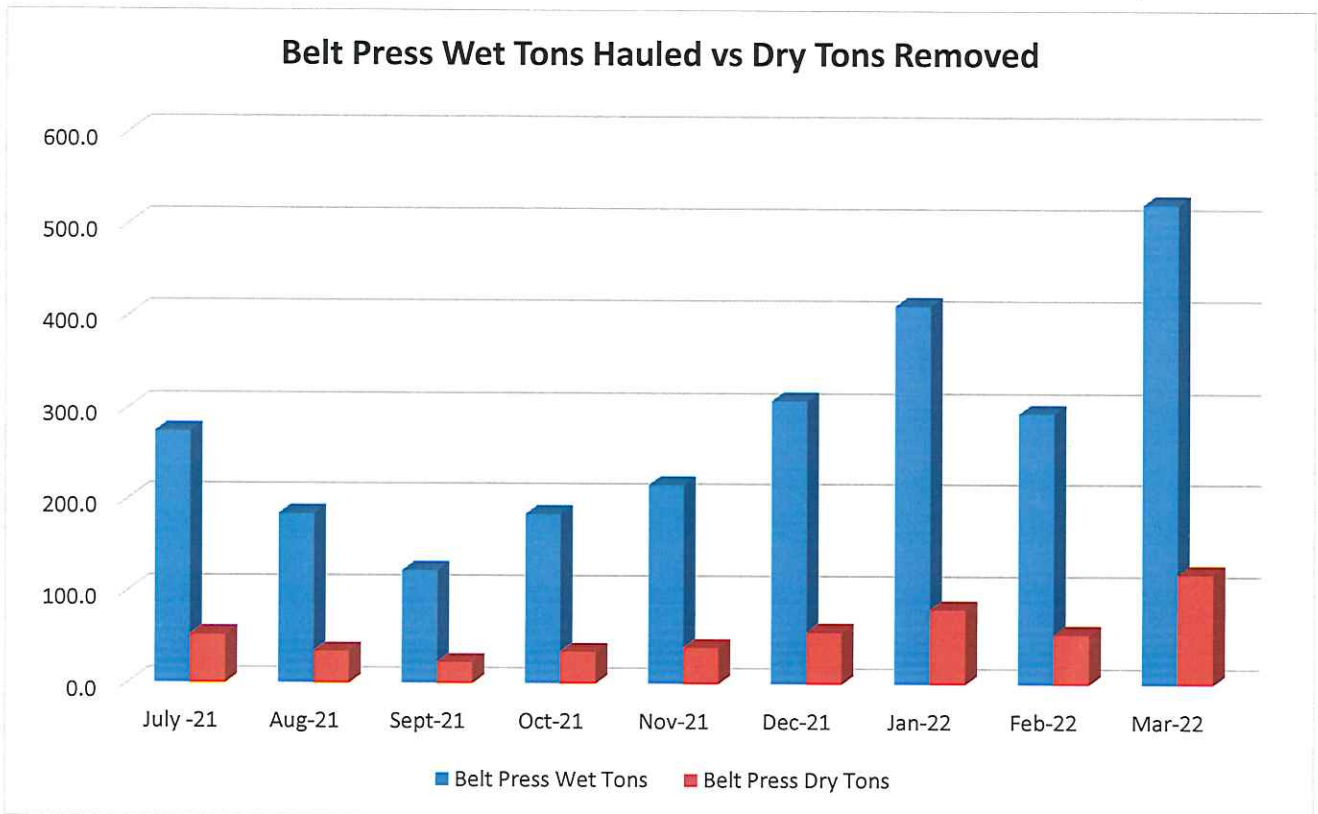

*March: Septic Fees Received Covered 55% of the Landfill Cost*

*Septic Gallons Received is less than 1/4 of 1% of the Overall Gallons Treated for March*

### Belt Press Gallons Processed vs Septic Gallons Received

### Equipment Repair, Replacement, & Enhancement

Equipment	Description	Cause	Status	Cost
Belt Press	VFD	End of Life	Replaced	\$1,950
Hach Eff Monitoring Station	Surge Protection	Needed	Installed	\$875
Filter Pump Station	Rebuild Pump	End of Life	Repaired	\$6,569
Effluent Sampler	Flow Pace Not Working	Unknown	Repaired	\$519

### Industrial Pre-Treatment Violations

Industry	Surcharge Parameter	Violation/Fine	Surcharge
Fieldale	TKN, Amm, Phos & BOD	\$200 Flow & Phosphorous	\$35,396( <b>waived</b> )
Ethicon	Phosphorous	\$1,100 Phosphorous	\$118
Salford BBI	None	None	None

## Work Orders Wastewater Plant & Lift Station

Generated Work Orders	51
Completed Work Orders	52
Back-log Work Orders	2

## Work Orders Commercial Grease Trap Inspection

Grease Traps Scheduled for Inspection	11
Grease Traps Inspected	5
Non-Compliant	14

## Plant Operations

- **Solids Handling:** Normal
- **Summary:** N/A
- **Disk Filters:** Display Screen replaced under warranty. Filter is back operating in normal operations by flow and not time
- **Summary:** N/A
- **Phosphorous/Ammonia Issues:** Ammonia slightly elevated a couple of weeks this month on Tuesdays Phosphorous normal most of the month. One week had a couple days it was slightly elevated. Ammonia and Phosphorous is well within permit levels.
- **Summary:** We believe this slight increase on phosphorous and ammonia is tied to Fieldale. They are sending us all their flow on Monday and Tuesday, then diverting flow on Wednesday thru Friday, discharging the flow over the weekend.

# Water Treatment Plant

## Water Quality

All measured water quality parameters met State and Federal Guidelines for Drinking Water.

Water Quality Concerns	Determined Cause	Action Taken
0	N/A	N/A

## Water Production Quantities

- Water Produced in February of 2022 was 86.72 MG.
- Water Billed in February of 2022 was 74.02 MG.
- The WTP recorded 6.39 inches of rain to date for March 2022.
- Off Stream Impoundment level is 27.0 feet.
- Reservoir level is 3 feet 11 inches above full pool.

\*Above flow graph and other flow Information based on the billing periods\*

## Water Treatment Projects/Events

- Routine monthly sampling.
- Monthly EPD reports.
- Performed scheduled Preventative Maintenance.
- Cleaned Solitax turbidity sensor.
- Quarterly Inspection of HC Dam #7.
- Quarterly Inspection of OSI Dam.
- Installed Lagoon flow meter.
- One point calibration on Pre Clearwell and Finished Chlorine.

- Cleaned KMNO4 hopper and mixer.
- PM 4 Chemical transfer pumps.
- Changed AC filters.
