

From the City Manager's Desk

Please join the City of Cornelia and Pebble Ministry Inc. to celebrate the grand opening of the Cornelia City Park Story Trail on Sunday August 27th at 3pm. The Story Trail, provided through a grant from AARP, is a great addition to the park promoting exercise, family, community, and education. The first book to be featured on the Story Trail is *Mama Bird Papa Bird* by White County author Wanda Obermeier.
