Policy for Unbilled Water

The City of Cornelia does not allow any unbilled water usage beyond Cornelia City Government which shall be metered by the Automated Metering Infrastructure system and reviewed annually.

Fire Hydrant Use shall be metered when an application has been completed and temporary account has been set-up.

Fire flow testing and water quality flushing shall be estimated by using a pitot gauge flow x minutes flowed and reported to Vicki Vinson at vvinson@cornelia.city or 706-894-3074.

Sincerely,
Keith Ethridge
Utilities Director of The City of Cornelia
kethridge@cornelia.city
